

Honor Acolyte Criteria and Recognitions:

- Earned through attendance at specified activities (see chart below).
- This is for all acolytes of any rank. New acolytes will be considered once they start serving.
- We will begin by evaluating August and September attendance at activities (see below).
- Based upon August/September attendance, acolytes will be recognized with their names on the acolyte board for October and November, a one-time announcement in the bulletin at the beginning of October, and by wearing the Honor Acolyte ribbons for October and November.
- This two-month cycle will continue for the rest of the year, so new activity schedules will be sent out each cycle.
- Our Goal: To celebrate and give encouragement to our students to participate in our fellowship-building and educational offerings in addition to serving as acolytes.

August/September Activities (Choose at least 10 activities from the items below to attend during August and September in order to be an Honor Acolyte for October and November.)
